The **Volunteer Program** involves over 275 local residents who donate their time and talents as a way to give back to our community. This program is designed to meet the needs of everyone from a retiree who wants to stay active and involved to Boy Scouts working on their Eagle Service Project to students fulfilling a community service requirement to those serving on one of our many Boards or Task Forces.

Regardless of their motivation, the Volunteer Program builds on this community's strong tradition of giving back.
