Welcome Tracy Jones

Welcome to Tracy Jones, our new Director of Health & Wellness.

Tracy has been with the Community Center in a variety of roles for quite some time now. She began as a volunteer and has most recently served as the Activities Coordinator for our Senior Program as well as leading our immensely popular hiking program.

Tracy takes over the senior program with the departure of Diana Brackett who left to take a position with another local non-profit (the position has been renamed "Director of Health & Wellness" to reflect our Four Pillars of Service). Tracy is a huge asset to this organization and we are very lucky that she has agreed to take on her new responsibilities.

Take a moment to congratulate Tracy when you see her.
