GiveBig is Here!

The Greater Maple Valley Community Center is joining thousands of nonprofits nationwide today in raising money to help improve our local communities. This is our moment to work and give together - donations large and small - to make SE King County a healthier and more vibrant community for all.

GiveBIG is a one-day event designed to raise money so that we can continue to create equality of opportunity in our region. Together, we can provide services as diverse as:

Nutritional meals for shut-ins and low income residents

*Mental Illness and drug dependency
counseling for teens*

Fall prevention programs for seniors

*Substance abuse prevention programming
in our schools*

*A meeting place for groups as diverse as
developmentally disabled adults, foster families,
home schoolers, toddlers and their caregivers,
alcoholics anonymous and so many others*

To make it even better, the Community Center will receive an additional allocation from the Seattle Foundation for every gift received through GiveBig by midnight tonight.

How can you help? It's as easy as going to this [giving link](#) and making a gift today.

That's it. That simple.

Together we can make a difference.
