

50+ Adult Connections

Many services for senior adults are offered through the Greater Maple Valley Community Center 50+ Connections Program. Our goal is to enhance the health and social well-being of our adult community by providing access to health and human services, and opportunities for education, recreation and involvement with the community.

50+ Adult Connections Program

GMVCC has served the senior citizens of the greater Maple Valley since 1976, addressing the needs of the growing population of seniors in the area. The goal of the GMVCC 50+ Adult Connections Program is to reduce isolation, create connections, and build on the strengths of the seniors. We provide opportunities for education, recreation, and involvement, which encourage strong community attachments and enhance the social well-being and health of our older residents. For many seniors, GMVCC is their family. Associations with other seniors and caring staff create hope, a sense of belonging and encourage the maintenance of good health and independence—in seniors who would otherwise be isolated and alone.

Our 50+ Adult Connections Lunch Program offers delicious low-cost home-cooked meals every Monday, Wednesday and Friday at noon.

The 50+ Adult Connections Program continues to grow. In 2009, over 900 seniors made close to 17,000 visits to the Center. The number of senior participants in 2009 was 5% higher than in 2008, and their total number of visits increased by 10%. We continue to reach out to our citizens 50 and older to address their issues and support their transitioning lifestyles.

A Real Win-Win-Win!

Win #1 - Visibility

Gain valuable exposure. As a GMVCC 50+ Adult Connections Program sponsor you can share samples of products or literature with participants, and reach current and potential participants through our website, weekly newspaper column, and monthly calendar. Additional opportunities for visibility may be available.

Win #2 - Affordability

In addition to gaining access to this valuable audience, you'll be providing important support necessary for us to continue to offer our monthly **Senior Birthday and Holiday Celebrations** and affordable prices for **Senior Lunches**. Many of the seniors we serve are on fixed incomes or are otherwise considered low-income.

Win #3 - Accessibility

Since GMVCC took over the lunchtime congregate meal program from Senior Services of Seattle in March 2008, attendance at our Monday, Wednesday and Friday lunches has doubled, with an average of 450 home-cooked meals served per month. In an effort to maintain our programs, in 2010 we put on our first annual Oktoberfest Event. This event included people of all ages coming together for fun, festivities and fundraising.

Giving Opportunities

The Greater Maple Valley Community Center is a nonprofit 501(c)3 organization. We rely on sponsorships, grants, and contributions to fund 40% of our annual budget. A GMVCC sponsorship not only increases your visibility within the community, it associates your organization with quality local programming that demonstrates your commitment to enhance the quality of life in the Maple Valley area. Many giving opportunities are available. Please visit our website to learn more about the many outreach programs being offered at the Greater Maple Valley Community Center, to volunteer your time, or provide other financial or in-kind contributions.
