

# 2016 Divot and Dine

## Golf lessons & lunch

The Greater Maple Valley Community Center is pleased to partner with our next door neighbor, Lake Wilderness Golf Course, to bring 50+ seniors a very special series of group golf lessons and lunch. Our four week session of **Wednesday** classes is offered from 10:30 am-11:30 am. Then we'll cross the street to the Community Center for a delicious, home-cooked lunch prepared by Beth & Lorrie, our talented and popular chefs.

Clubs are available for use at no extra charge. Space is limited, so sign-up early to reserve your space! Fun, friends and food - you can't beat this deal!
